

All NEMO Committee communication note: 19 April2023

The All NEMO Committee is launching its official LinkedIn account.

All NEMO Committee is delighted to announce the launch of its official LinkedIn account. The NEMO Committee is committed to enhancing the European internal electricity market and providing effective solutions to the ongoing energy crisis.

As a collective body facilitating the cooperation among NEMOs for all common European tasks, we believe that it is essential to maintain an open dialogue with key stakeholders such as the European Institutions, Regulators, TSOs, and market participants. Our aim is to share views and ideas with all of you and foster a collaborative approach towards tackling the challenges that the energy market faces today.

By following us on LinkedIn, you will have access to the latest updates on our ongoing initiatives, publications, and insights into our work. Join us today to stay up-to-date with the NEMO Committee's latest developments and to be part of the conversation.
